This certificate shall be in a form acceptable to the Authority and shall state that the potential seller has received and reviewed the Policy and has acknowledged that the potential seller has implemented

reasonable procedures and controls in an effort to preclude investment transactions with the Authority that are not authorized by this Policy, except to the extent that this authorization is dependent on an analysis of the makeup of the Authority's entire portfolio or requires an interpretation of subjective investment standards. Neither the Investment Officer nor the Authority Officials shall purchase or make any investment from a potential seller that has not delivered to the Authority this required certification. A form of certificate acceptable to the Authority is attached hereto as **Exhibit B**.

Consistent with Section 2256.021, Texas Government Code, as amended, the Investment Officer shall monitor all investments that require a minimum rating under subchapter A of Chapter 2256, Texas Government Code, as amended, such that any such investment that does not have the minimum rating shall no longer constitute an authorized investment. Such investments that do not have the required minimum rating shall be liquidated within 30 days of the investment's failure to maintain its required minimum rating.

ARTICLE V
PROVISIONS APPLICABLE TO ALL FUNDS

Section 5.01. Provisions Applicable to All Fund Groups.

- (a) All funds of the Authority shall be invested only in accordance with this Policy and shall comply with any additional requirements imposed by bond resolutions or trust indentures of the Authority and applicable state law or federal tax law, including the Investment Laws.
- (b) The Board, by separate resolution, may provide that a designated officer or agent of the Authority may withdraw or transfer funds from and to accounts of the Authority only in compliance with this Policy.
- (c) No fund groups shall be pooled for the purposes of investment, e.g. the funds in the Operating Account and in the Project Account shall not be commingled or pooled for purposes of investment.

Section 5.02. Policy of Securing Deposits of Authority Funds -- Applicable to All Deposited Authority Funds.

- (a) The Authority recognizes that FDIC (or its successor) insurance is available for Authority funds deposited at any one Texas Financial Institution (including branch banks) only up to a maximum of \$250,000 (including accrued interest) for each of the following: (i) demand deposits, (ii) time and savings deposits, and (iii) deposits made pursuant to an indenture or pursuant to law in order to pay bondholders or noteholders¹. It is the policy of the Authority that all deposited funds in each of the Authority's accounts shall be insured by the FDIC, or its successor, and to the extent the deposit surpasses the FDIC Deposit Insurance Coverage limit at any given time, shall be secured by Collateral pledged to the extent of the fair market value of the principal amount deposited plus accrued interest as required by the Collateral Act.
- (b) If it is necessary for the Authority's depositories to pledge Collateral to secure the Authority's deposits, (1) the Collateral pledge agreement must be in writing, (2) the Collateral pledge agreement must be approved by the depository's board of directors or loan committee, (3) the depository's approval of the Collateral pledge agreement must be reflected in the minutes of the meeting of the depository's board or loan committee approving same, and (4) the Collateral pledge agreement must be kept in the official records of the depository. The depository must provide to the Investment Officer or Authority Officials with written proof of the depository's approval of the pledge

¹ The \$250,000 limit is temporary and may change from time to time under applicable law.

agreement as required herein in a form acceptable to the Authority. A signed or certified copy of the minutes of the meeting of the depository's board or loan committee reflecting the approval of the Collateral pledge agreement or other written documentation of such approval acceptable to the Investment Officer will be accepted. It is the preference of the Board that all requirements of this section be met prior to the deposit of any Authority funds in such financial institution when a pledge of Collateral is required; however, the Board recognizes that compliance with this preference might not be practicable due to time constraints for making a deposit. In such event, the Board directs the Investment Officer and Authority Officials to proceed diligently to have such agreement approved and documented to assure protection of the Authority's funds. If the decision is made to forego the protection of a Collateral pledge agreement with any depository, the Authority's Executive Director shall be responsible for maintaining the balance of deposit(s) in such depository plus any accrued but unpaid interest at or below FDIC insurance levels.

- (c) Collateral pledged by a depository shall be held in safekeeping at an independent third party institution, and the Authority's Executive Director shall obtain safe-keeping receipts from the Texas financial institution or the safekeeping institution that reflect that Collateral as allowed by this Investment Policy and in the amount required was pledged to the Authority. Principal and accrued interest on deposits in a financial institution shall not exceed the FDIC's, or its successor's, insurance limits or the market value of the Collateral pledged as security for the Authority's deposits. It shall be acceptable for the Authority's Executive Director to periodically receive interest on deposits to be deposited to the credit of the Authority if needed to keep the amount of the funds under the insurance or Collateral limits. It is the preference of this Board that there be no sharing, splitting or cotenancy of Collateral with other secured parties or entities; however, in the event that a depository cannot accommodate this preference due to the denominations of the securities to be pledged, the Board directs the Investment Officer and Authority Officials to obtain appropriate protections in the pledge agreement with the depository to assure that the Collateral is liquidated and the funds distributed appropriately to all parties with a security interest in such Collateral. The Authority's Executive Director shall monitor the pledged Collateral to assure that it is pledged only to the Authority, review the fair market value of the Collateral to ensure that the Authority's funds are fully secured, and report periodically to the Investment Officer and the Board regarding the Collateral.
- (d) The Authority's funds deposited in any Texas financial institution, to the extent that they are not insured, may be secured by the pledge of any of the following:
 - (1) Surety bonds;
 - (2) An obligation that in the opinion of the Attorney General of the United States is a general obligation of the United States and backed by its full faith and credit;
 - (3) A general or special obligation that is (a) payable from taxes, revenues, or a combination of taxes and revenues and (b) issued by a state or political or governmental entity, agency, instrumentality or subdivision of the state, including a municipality, an institution of higher education as defined by Section 61.003, Texas Education Code, a junior college, a district created under Article XVI, Section 59, of the Texas Constitution, and a public hospital;

- (4) A fixed-rate collateralized mortgage obligation that has an expected weighted average life of 10 years or less and does not constitute a “high-risk mortgage security” under the Collateral Act;
- (5) A floating-rate collateralized mortgage obligation that does not constitute a “high-risk mortgage security” under the Collateral Act;
- (6) A letter of credit issued by a federal home loan bank; or
- (7) A security in which a public entity may invest under the Investment Act. As of the date of this Policy, the following are the securities in which a public entity may invest under the Investment Act and, therefore, may be used as Collateral:

 - (v) Obligations of states, agencies, counties, cities, and other political subdivisions of any state rated as to investment quality by a nationally recognized investment rating firm not less than A or its equivalent;
